

Registration procedure for ATAIT 2026

Each paper (except for invited papers) needs to be covered by at least one full registration. One full registration covers one paper only; however, the same author or co-author may make full registrations for multiple papers that he/she authored or coauthored. **Paper registration cannot be covered with only free student registration.** Papers without a full registration will not be included in the program or the proceedings.

Registration fee

Full registration (including student author)	30,000 JPY / 190 USD
Student (who do not need a full registration)	Free
Invited speaker	Free

Please pay the registration fee to complete the registration process. For each accepted paper, at least one author must complete a full registration payment. The paper registration will be finalized once both the full registration fee has been paid and the camera-ready paper has been submitted.

Payment must be made by bank transfer using the details below.
